## GET READY FOR HOME TOUR SEASON IN OKC!

These beautiful, historic areas are gearing up to treat you to an eyeful of discerning design.

Typically, tickets can be purchased at any of the tour homes on the day(s) of the tour, local retailers in advance, and in some cases online. Get your tickets and map and embark on a self-guided route through the neighborhood, viewing gardens, enjoying fanciful mantles and touring homes ranging from snug bungalows to some of OKC's most exquisite estates.

Each tour is independently run by its neighborhood association and proceeds benefit that neighborhood.
