About our Workshops

Neighborhood Alliance workshops are offered to all neighborhoods in Central Oklahoma. Some workshops will have Oklahoma City specific information such as “Code Enforcement 101” and some workshops are for Mandatory Associations, (associations with dues mandated by their property deed). All workshops require advance registration and seating may be limited. Register online at nacok.org. Most workshops are free but some do have a small registration fee ranging from \$5 to \$20 and scholarships are always available - call our office for scholarship requests.

It’s offered the first Tuesday of each month at the Neighborhood Alliance Building. Light dinner is served. There is no fee for this workshop but reservations are required and seats are limited. Neighborhood Leaders for Today (NLT)

- Tuesdays from April 3 through May 15

Have you ever wished there was a class that could teach you all you needed to know to be an effective neighborhood leader? One place where you could go to learn about team building, effective meetings, membership drives, crime prevention, etc? This is just that class! Apply today for this FREE seven-week class that meets from 6-9pm on Thursday evenings, April 3 through May 15, plus two Saturdays, April 12 and May 17, from 9am until 3pm. The class size is limited to 30 participants to allow for an individualized experience. See nacok.org for applications.

Code Enforcement 101, 6:15 - 8:15pm

This workshop focuses on the reach of the City of OKC Action Center, the impact of zoning on code enforcement and some of the resources available to residents for taking care of their homes and neighborhoods. Featuring a “speed dating” format, this event offers the opportunity for residents to talk face-to-face with a number of city department heads. Held in April this year, see nacok.org for details.

Beautification Station/Cruisin’ OKC, 8:30am - 1:00pm

This will be our eighth year of taking OKC citizens on a road trip. Filling chartered buses, we tour selected areas of OKC, highlighting volunteer-driven neighborhood improvement projects and public-private partnerships to show just what can be accomplished when concerned citizens work together. Tour is 9am to noon, followed by lunch donated by community partner Panera Bread. Held in May this year, see nacok.org for details.

Mandatory HOA Series: Private Roads Maintenance and Legal Issues for HOAs

This series for deed-mandated Homeowner Associations can help you get your questions answered. HOAs have specific issues and we help you find answers with our slate of presenters ranging from attorneys and city staff to seasoned neighborhood leaders. You will not only go home loaded up with the information you need but you will have the opportunity to connect with dozens of other neighborhood leaders and share experiences. See nacok.org for dates, locations and more info.

Neighbors Night Out, Anytime you want in your Neighborhood!

It's billed as "the most enjoyable crime fighting tool out there!" Studies support the idea that a social neighborhood is a safer neighborhood, so we encourage neighborhoods to throw a party and celebrate! NNO events can range from a porch-light vigil or flashlight walk to a catered picnic. Neighborhood Alliance not only collects and distributes information on neighborhood events throughout the metro, including maps and contacts, to OCPD, OCFD and city council, but also to volunteer groups, like Target Employees, wanting to lend a hand and be a part of the community-building fun. Look under the "Events" tab at nacok.org for more info and a helpful planning packet.

Annual Good Neighbor Awards Banquet, 6-10pm

Our yearly gala celebrating the exceptional effort of Central Oklahoma's neighbors and neighborhoods has been delighting our citizens for seven years. Nominations for awards are solicited starting in May for five award categories. This event announces the winners and tells the heart-warming stories of three finalists in each category of neighborly excellence. Planned for November 6 this year. Look under the "Events" tab at nacok.org for more info and nomination packets.
